#### About Cannapages Cannabis Directory

CANNAPAGES is the official "yellow pages" of the cannabis industry. As one of the oldest ancillary cannabis brands in the nation and the original "canna"[-company], they are a forerunner in business solutions for the entire industry. Founded in 2009 and headquartered in Denver, their dedicated editors, managers and researchers work to unite the consumer base, solve new and emerging business challenges, and provide an integrated marketing solutions platform for their constituents.

The editors are life-time cannabis enthusiasts, patients, growers, and professionals. This directory is to be used as a resource during this new era of regulated cannabis.

Welcome to the Future.
